About the BAC Youth Theater Program

The theater program begins with make believe–based classes that introduce youngsters to character, build physical and vocal confidence, and provide music and dance performance through guided play. As children continue to higher class levels they build up from the basics, learning theater terminology, expanding their ability as improvisers as well as traditional actors, and honing public speaking and performance skills. The BAC also offers classes in theatrical specialties and aspects of performance. Students perform on the BAC Main Stage in the School of Theater Showcase.

This Fall, the BAC Theater classes include:

- Make Believe, ages 3-5
- Acting 1, Grades 1-3
- Acting 2, Grades 4-5
- Acting 3, Grades 6-8
- Improv for Teens, Ages 13+
- BAC Teen Improv Troupes - *The Beverly Big Mouths*, Ages 13-18
- Musical Theater Audition Workshops
- And much more!
